

BBD 15 ET (8311 0104 13) is the largest **BBD** version drill available with a trigger valve. If you have the older version i.e. BBD 15 E (8311 0104 10), you can modify it by a trigger conversion and make it the same as **BBD 15 ET**.

What is good about it?

- Light weight for a wide variety of uses
- Designed for quick and easy maintenance

Where it is used?

- Blast hole drilling
- Excavations work
- Shafts Sinking
- Quarry drilling
- Bench mining
- Road constructions
