

This Pneumatic Jackhammers comes with a single cast body which reduces the maintenance cost and lasts longer. The **Tex 280 PE (8461022633)** comes with HAPS (Hand Arm Protection System). It provides great comfort by reducing the vibration level and thus allowing longer working hours. It is also equipped with a slim polyurethane silencer which reduces the noise level by 75%. The latch-type retainer provides extra comfort in removing the working tools. The Tex 280 PE is available in two shank sizes, 32 x 160 mm (**8461 0226 33**) and 28 x 160 mm (**8461 0226 32**). If you are looking for a Heavy Breaker, Tex 280PE is the best option.

What is good about it?

- Balanced performance
- Solid body
- Smooth breaking
