

The TEX 190 PE is a 40 lb-class pneumatic breaker built for medium to heavy demolition, featuring "Percussive Ergonomics" and an air-cushioned piston to protect internal components and reduce operator fatigue. It offers two shank options depending on job needs: 25 x 108 mm for versatile horizontal/vertical work and 28 x 160 mm for heavy downward vertical breaking. Supplied by Rama Mining Tools, it is available in OEM or equivalent models with full spare parts and accessory support.

What is good about it?

- Balanced performance
- Solid body
- Smooth breaking
